The G502 X PLUS represents the cutting-edge evolution of Logitech's iconic G502 lineage. Engineered for competitive gaming, this advanced wireless optical mouse combines revolutionary speed, precision, and fully customizable controls, making it an essential tool for serious players.

Unmatched Speed and Precision

- **LIGHTFORCE Hybrid Switches:** Experience the speed and reliability of optical actuation combined with the crisp, tactile feel of mechanical switches. These innovative LIGHTFORCE optical/mechanical buttons ensure instantaneous response times and exceptional durability.
- **HERO 25K Sensor:** Achieve sub-micron precision with the industry-leading HERO sensor. Offering a massive sensitivity range from 100 to 25600 DPI, the sensor delivers zero smoothing, filtering, or acceleration, ensuring every movement is tracked perfectly, even during rapid action at 400 inches per second (IPS) and 40 G maximum acceleration.
- **LIGHTSPEED Wireless Technology:** Utilize pro-grade 2.4 GHz LIGHTSPEED connectivity for latency-free performance that rivals wired mice. Enjoy freedom of movement without sacrificing competitive response speed.

Designed for Performance and Comfort

The G502 X PLUS features 11 programmable buttons, giving you complete control over macros and complex commands. Its lightweight design, weighing only 106 grams, ensures comfort during extended gaming sessions.

- **LIGHTSYNC RGB Lighting:** Customize your setup with 8 zones of dynamic, vibrant LIGHTSYNC RGB lighting, which intelligently adapts to your gameplay.
- **Customizable Controls:** Includes an adjustable/removable DPI button for seamless sensitivity switching, a responsive 2-way scrolling wheel, and ultra-low friction Polytetrafluoroethylene (PTFE) feet for smooth gliding.
- **POWERPLAY Compatibility:** Compatible with Logitech G POWERPLAY wireless charging technology, ensuring your mouse is always charged and ready for action.
- **System Compatibility:** Requires Windows 10 or later or Apple macOS 10.14 or later.

LOGITECH is a globally recognized leader in computer peripherals, specializing in innovative and high-performance gaming gear under the Logitech G brand. They are renowned for their commitment to quality, durability, and cutting-edge technology designed to meet the demands of
