The G502, the most popular gaming mouse, has been fundamentally reinvented and redesigned for peak performance. The G502 X LIGHTSPEED incorporates the most advanced innovations in gaming technology, headlined by LIGHTFORCE – a revolutionary hybrid optical-mechanical switch technology. This fusion delivers incredible speed, unwavering reliability, and ultra-precise actuation, ensuring every click registers perfectly during intense gaming sessions.

Unrivaled Wireless Performance and Precision

Experience the freedom and responsiveness of updated LIGHTSPEED wireless technology, now delivering a 68% faster response rate compared to the previous generation. Weighing in at only 101.5 g, the G502 X LIGHTSPEED is designed for agility without sacrificing features. The mouse is equipped with the renowned HERO sensor, providing exceptional tracking accuracy up to 25600 DPI, supporting up to 40 G acceleration and 400 inches per second (IPS) tracking speed.

- **LIGHTFORCE Hybrid Switches:** Fusing optical speed with mechanical feel, these switches provide superior reliability and quick response, built with thin-wall molding.
- **HERO 25K Sensor:** Industry-leading precision with realtime sensitivity switching from 100 to 25600 DPI for competitive accuracy.
- **LIGHTSPEED Wireless:** Ultra-low latency 2.4 GHz connectivity via the dedicated USB receiver, offering optimized battery life.
- **8 Programmable Buttons:** Customizable controls including an adjustable/removable DPI shift button, giving you access to 5 unique profiles.
- **Dual-Mode Scroll Wheel:** Redesigned for smooth, hyper-fast scrolling or precision ratcheting mode.
- **POWERPLAY Compatibility:** Ready for use with POWERPLAY wireless charging mats to ensure continuous power.
- **Supreme Glide:** Equipped with high-quality Polytetrafluoroethylene (PTFE) feet for effortless, low-friction movement.

The sleek white finish and ergonomic design, measuring 7.92 cm x 13.14 cm x 4.11 cm, make this mouse a perfect centerpiece for any high-performance setup running Windows 10 or later, or Apple macOS 10.14 or later.

LOGITECH G is a globally recognized leader in professional-grade gaming equipment, committed to developing cutting-edge peripherals that enhance performance and deliver an immersive gaming

experience.

Order today from ++SHOP++ as we offer the best deals and fast delivery on essential gaming technology.
