## Pagrindinės savybės

- ✓ 1920 x 1080 pixels 30 fps
- ✓ Full HD
- ✓ Built-in microphone
- ✓ Interface: USB
- ✓ Mounting type: Clip/Stand
- ✓ Black

## Aprašymas

1080p Full HD webcam with wide-angle lens, long-distance microphone and privacy filter

### All about you

Enjoy full 1080p resolution, with a fixed-focus glass lens ensuring you're always the centre of attention. Meanwhile, automatic white balance and light correction always shows you (and your room's) true colours.

### Looking good, feeling green

The TW-200 webcam is made with 85% recycled plastics, so you can simultaneously do your thing – and do your part in ushering in an eco-friendly future.

### Long-distance relationship?

A long-distance microphone picks up voices and sounds from up to 5m away. You know, for when you need your space.

**Sight unseen**

Don't leave privacy up to chance. A built-in privacy shutter ensure that no one sees anything you don't want them to see. Like you singing to your cat.

**Ready for action**

Just plug in and start recording – using the included universal stand that's suitable for both monitors and desk surfaces.

**Techninė specifikacija**

| Specifications                      |                                                                              |
