The HP E45c G5 DQHD curved monitor is uniquely designed to deliver expansive immersion and exceptional flexibility, redefining your workspace. With an impressive 44.5-inch diagonal and a massive 5120 x 1440 Dual Quad HD resolution, this ultrawide 32:9 display essentially replaces two high-performance monitors, streamlining your setup while maximizing visual real estate. Engineered for professionals who demand seamless multitasking and high fidelity visuals, the E45c G5 ensures there is nothing between you and your best work.

Uncompromised Visual Performance

Experience breathtaking detail and fluid motion across the expansive VA panel. Whether you are managing complex spreadsheets, engaging in detailed graphic design, or enjoying immersive media, the 165 Hz refresh rate ensures silky-smooth screen performance, minimizing motion blur. Combined with AMD FreeSync Premium technology, screen tearing is virtually eliminated, offering consistent and responsive viewing.

- **Massive DQHD Resolution:** 5120 x 1440 resolution with 32:9 aspect ratio provides unparalleled screen space.
- **Fast Refresh Rate:** 165 Hz refresh rate ensures smooth, responsive visuals suitable for fast-paced professional tasks and entertainment.
- **Quick Response Time:** 3 ms response time (grey-to-grey with overdrive) minimizes ghosting.
- **Rich Color Accuracy:** 99% sRGB color gamut coverage ensures vibrant and accurate color reproduction (16.7 million colors).
- **High Brightness and Contrast:** 400 cd/m² brightness and a 3000:1 static contrast ratio deliver deep blacks and bright whites.

Advanced Connectivity and Ergonomics

Designed as a true productivity hub, the E45c G5 features comprehensive connectivity options, including a powerful USB-C port that simplifies cable management. The single USB-C connection delivers video, data, and up to 100 Watts of Power Delivery (PD), allowing you to charge your laptop or devices directly from the monitor. Integrated Ethernet ensures a stable network connection without relying on Wi-Fi adapters.

- **USB-C Power Delivery (100W):** Charge connected devices and transfer data/video simultaneously via a single USB-C cable.

- **Integrated USB Hub:** Includes a USB 3.2 Gen 1 hub for easy connection of peripherals.
- **Built-in Ethernet:** RJ-45 connectivity provides stable and fast network access.
- **Flexible Adjustments:** Customize your viewing comfort with height, swivel, and tilt adjustments.
- **Eye Comfort:** Anti-glare coating (Haze 25%) reduces reflections, ensuring comfort during long working sessions.

This monitor is compliant with environmental standards, including TCO Certified Edge Displays and ENERGY STAR Qualified, reflecting HP's commitment to sustainability by using low halogen materials.

HP INC. is a global technology leader known for manufacturing high-quality computing and printing solutions that power the future of work. Their E-Series monitors are designed to blend advanced features, comfort, and environmental responsibility.
