IIYAMA ProLite T2234MSC-B1S 21.5" Touchscreen Monitor

The IIYAMA ProLite T2234MSC-B1S is a 54.6cm (21.5") Full HD monitor with Projective Capacitive 10-point touch technology. Its edge-to-edge glass design and IPS technology provide exceptional color performance and wide viewing angles, making it ideal for interactive digital signage, kiosks, retail environments, gaming, and presentations. The monitor features an IP65 rating for dust and water resistance and touch-through-glass technology for seamless touch response, especially useful for kiosk integration.

Order today from ++SHOP++ as we offer the best prices and fast shipping!

The ProLite T2234MSC-B1S uses 10 pt Projective Capacitive touch technology, built into an eye catching bezel with edge-to-edge glass. Featuring IPS technology, it offers exceptional colour performance and wide viewing angles, making it a perfect display for Interactive Digital Signage, kiosk integrators, Instore Retail, Gaming and Interactive Presentations. In addition to the superb image quality, the monitor comes with IP65 rating, which means it is dust and water resistant and with Touch-Through-Glass technology delivering seamless and accurate touch response for true kiosk integration or behind-glass-retail.
