The full-size keyboard features a 3-zone layout with low-profile chiclet keys, offering a comfortable and familiar typing feel. Combined with a responsive wireless mouse, this kit provides a comprehensive input solution for everything from intensive data entry to casual web navigation. With long-lasting battery life and reliable connectivity via a simple Nano USB receiver, you can stay productive all day long.

Features:

- Full-size 100% keyboard layout for maximum efficiency.
- Low-profile chiclet keys designed for quiet and comfortable typing.
- 2.4 GHz wireless connectivity for a clutter-free desk and freedom of movement.
- Plug-and-play simplicity with a single Nano USB wireless receiver.
- Durable and sleek black design that fits any modern workstation.
- Standard QWERTY English layout with convenient shortcut keys.

HP INC. is a global leader in personal computing and printing, recognized for creating technology that makes life better for everyone, everywhere. Their products are known for reliability, innovation, and professional-grade performance.
