whether you are scrolling through documents or viewing dynamic content. The integration of Adaptive Sync technology also minimizes screen tearing for a superior viewing experience.

Integrated USB-C Docking Station (90W Power Delivery)

Transform your desk setup with the integrated USB-C docking solution. Connect your laptop using a single USB-C cable to simultaneously transfer video, data (via the built-in USB 3.2 Gen 1 hub), and power, thanks to the impressive 90W Power Delivery capability. This powerful feature keeps your laptop charged, reduces cable clutter, and instantly connects all your peripherals, significantly boosting efficiency and simplifying your connectivity.

Ergonomics and Eye Comfort Features

- **Fluid 120Hz IPS Panel:** Experience remarkably smooth visuals and enhanced clarity, crucial for detailed work and quick transitions, supported by a rapid 4ms response time.
- **Hardware Anti-Blue Light:** This specialized technology reduces harmful blue light emissions directly at the source without causing significant color shift, protecting your eyes during long work sessions while maintaining color accuracy.
- **Extensive Connectivity:** Equipped with HDMI 1.4, DisplayPort 1.2 Input, and DisplayPort Out for hassle-free daisy-chaining of multiple screens.
- **Built-in USB Hub:** Features integrated USB 2.0 and USB 3.2 Gen 1 ports, turning your monitor into a central station for all your devices.
- **Flexible Ergonomics:** The stand supports VESA mounting compatibility and height adjustment, allowing you to position the screen perfectly to reduce physical strain.

AOC (Admiral Overseas Corporation) is a global leader in display technology, renowned for delivering high-performance, quality monitors designed for both professional and demanding consumer environments.
