Pagrindinės savybės

- ✓ Supports displays up to 264 lbs (120 kg)
- ✓ VESA-compatible, up to 800 × 600 mm
- ✓ Easy height adjustment and movement
- ✓ Anti-collision sensor

Aprašymas

Motorized rolling stand with VESA mount

Elevate your displays with the MT02E. Precisely adjust the height and move your display with ease to optimize viewing and hands-on interaction in any space.

Effortless height adjustment

Use the remote or the built-in app to adjust display height down to the inch for enhanced accessibility and viewing angles in a variety of spaces.

Move your display with ease

Your display goes where you go. With the lightweight MT02E, you can easily roll your display from room to room and lock it securely in place.

Ready for any display

The MT02E can hold smart boards and displays up to 264 lbs (120 kg) to fit your organization's choice of display solutions.

Anti-collision for safe adjustment

The anti-collision safety sensor detects when something is in the way during height adjustment and quickly stops the motor to prevent it from becoming damaged.

Built for VESA mounting

The VESA-compatible MT02E motorized rolling stand supports easy installation of any display with VESA hole patterns up to 800 × 600 mm.

Techninė specifikacija
