Crucial BX500 SATA SSD

Add storage to your laptop or desktop computer with the Crucial® BX500 SSD, the easiest way to get all the speed of a new computer without the price. Accelerate everything and store up to 4TB2 of your irreplaceable files with a Crucial® BX500 SATA SSD, a drive built on speed and security that's backed by Crucial's reputation for quality. Even if you've never opened your computer case, don't fear — our step-by-step guide walks you through the process to make installation easy.

Speed:

Sequential read/write speeds of 540/500MB/s1

Performance:

Over 45x more energy efficient than a typical hard drive3

Protection:

Power loss immunity, data defense and RAIN features

Durability:

More durable than a hard drive — no small moving parts that are prone to failure3

Capacities:

4TB, 2TB, 1TB, 480GB, 240GB

Integrated power loss immunity

Avoid data loss during power outages. This built-in feature of our NAND protects your data swiftly and efficiently, protecting your work if your system unexpectedly shuts down.

Built-in durability

Unlike hard drives, SSDs don't have moving parts that wear out over time, which makes them less likely to crash. SSDs are also better equipped to survive physical trauma, like getting dropped, because they don't rely on mechanical parts.

Installing a Crucial® SSD is easy!

Nervous about installing an SSD? Don't worry! You don't need much more than a screwdriver and
