scenario.

However, MAG isn't just about performance; it's a design language that conveys ruggedness and toughness, embodying the very essence of the MAG style. For gamers who are determined to dominate their digital battlegrounds, the MAG series is here to stand with you, establishing the ultimate defense.

Drawing inspiration from the MAG logo, create a distinctive chassis design that embodies the unique MAG characteristics. The appearance design of the case adopts the MAG series brand symbol lines.

To meet the desire to show the ARGB PC build, the MAG PANO 100 Series comes with a 270-degree panoramic display, get more enhancement of aesthetically pleasing and cleanliness.

Chamfering Technique

Each piece of 4 mm tempered glass is cut at an angle to minimize every edge gap to make case appearance look more beautiful.

HARDWARE COMPATIBILITY

The gaming cases offers extensive support for the installation of your hardware components.

At the side, supports the flexibility of mounting radiator in a push-pull configuration or the thicker radiator and fans.

EASY TO INSTALL

The gaming case has many features that make the installation process all the easier.

Removable panel design

The front, side and top panels are tool-free to remove, when installing side fans and radiators, there are no obstacles to hinder your progress.

- Supported ATX and Micro-ATX Back-connect motherboard
- Supports 360 mm radiator on the top, side and bottom
