

SSD ACC ADAPTER M.2/NVME/PCEM2- S AXAGON

Modelis: PCEM2-S

Gamintojas: AXAGON

EAN: 8595247903983

Prekės kodas: 14913

15.98€

PCEM2-S PCIe NVMe M.2 adapter

PCI-Express x16 internal adapter to connect an NVMe M.2 SSD to a desktop.

The internal AXAGON PCEM2-S adapter allows to connect the M.2 SSD to a desktop coputer using PCI-Express bus.

High-quality construction, compact dimensions, attractive design and sophisticated cooling make the adapter an ideal choice for upgrading a desktop computer that is not equipped with any M.2 slot.

The adapter supports the use of both one-sided and double-sided NVMe (PCI-Express) M.2 SSDs. The reduction does not limit SSD capacity, and any M.2 cards with a size up to 22x80 mm can be used.

Thanks to PCI-Express interface, a maximum transmission rates can be achieved.

The aluminum cover functioning as a cooler and the attached thermally conductive pads help to cool the M.2 SSD. As a result, an ideal combination of M.2 SSD cooling and heat discharging is achieved.

LED indicates either power on or data transfer in the M.2 slot.
