44.99€

The Electronic HP Care Pack Services (e-Care Pack) capability allows you to order, receive, update, and activate a wide range of valuable HP Care Pack Services over the Internet. Administered through the HP Services Network (CSN), it is a fast and simple process that enables immediate registration and service activation.

Increase equipment availability and productivity with high-quality onsite and remote support for your HP hardware, as well as selected multivendor equipment.

Choose Next Business Day Hardware Support when you need to: extend your hardware warranty coverage for key systems and devices; obtain easy-to-buy, easy-to-use onsite services; improve hardware performance and uptime; increase the return on your HP and multivendor hardware
