Aprašymas

The Gembird Fornax 4000 mid-tower case is designed for enthusiasts seeking a blend of aesthetics and functionality. This chassis accommodates a wide range of motherboards, from ATX to microATX and ITX, and supports high-end components with its generous space. The cooling system is a standout feature, with ARGB fans pre-installed in the front and an option to add more at the top and rear, ensuring your system stays cool. The Fornax 4000 also supports large video cards up to 325 mm and CPU coolers up to 160 mm, making it suitable for powerful builds. Organizational ease is provided by the internal bays designed for both 2.5" and 3.5" drives, allowing for a clean setup. The case's design is further enhanced by a glass windowed side panel, perfect for displaying your components, and is complemented by top and bottom magnetic dust filters for straightforward maintenance. With front panel connectors, including USB 3.0 and audio ports, the Fornax 4000 combines functionality, convenience, and style, making it an excellent choice for your next build.
