## Aprašymas

The Lenovo ThinkSmart Bar 180 is designed to enhance your video conferencing experience with its superior audio and video capabilities. Featuring an 8-microphone array with beamforming technology, it captures your voice with clarity, while the stereo sound bar ensures every participant can be heard with clarity. The device's video capabilities are impressive, with a webcam that offers a 180° field of view horizontally and 54° vertically, capturing every detail in high resolution. With support for wireless connectivity through Bluetooth and a variety of ports including RJ-45, USB-C, and audio, the Lenovo ThinkSmart Bar 180 integrates seamlessly into any professional setup. Whether for small meetings or large conference rooms, this device is equipped to provide an immersive and engaging conferencing experience.
