EAN: 5901969439212

Prekės kodas: 19348

95.99€

The Natec Genesis Diacid 605F is crafted for technology enthusiasts and gamers, providing a solution for system builders seeking flexibility and efficiency. Its mid-tower design features a meshed front panel that enhances airflow and facilitates effective cooling, essential for high-performance systems. With the capability to support various radiator sizes in multiple locations, including the front, top, and rear, this chassis caters to different cooling setups while maintaining an organized interior with space for up to four internal bays.

This case features a windowed side panel made from tempered glass, allowing a glimpse into the well-structured components inside. Additionally, it includes front panel connectors such as USB 3.0 and USB-C 3.1 Gen 2 for data transfer. With support for a maximum video card length of 351 mm and CPU coolers up to 168 mm in height, the Genesis Diacid 605F accommodates powerful components, ensuring a robust and expandable gaming system.
