OS platform, this TV seamlessly integrates streaming, browsing, and smart home control via SmartThings and Matter.

Unrivaled Visual Quality and Next-Gen Gaming

Step into a world of hyper-realistic visuals enhanced by cutting-edge display technology. The 48-inch OLED panel supports advanced HDR formats, ensuring dynamic and optimized picture quality whether you are watching films or playing fast-paced games.

- **True 4K UHD Resolution:** Enjoy razor-sharp details and vibrant colors with 3840 x 2160 resolution.
- **OLED HDR and Perfect Blacks:** Self-illuminating pixels ensure infinite contrast and true black levels, enhanced further by HDR Brightness Optimizer.
- **144Hz Motion Xcelerator:** Experience ultra-smooth action, perfect for high-speed sports and gaming, supported by a 100Hz native refresh rate adaptable up to 144Hz (VRR).
- **Advanced HDR10+ Gaming:** Features like Dynamic Black EQ and HDR10+ Adaptive optimize performance based on room lighting and game content.
- **4K AI Upscaling Pro:** Automatically upgrades lower resolution content to near-4K quality using advanced processing power.
- **Ultra Viewing Angle:** Maintain consistent picture quality and color accuracy regardless of where you sit.

Immersive Dolby Atmos Sound

The QE48S90F pairs stunning visuals with an audio system designed to draw you into the action. Featuring a 2.1 channel speaker system and advanced sound processing, your viewing experience is fully immersive.

- **Dolby Atmos Support:** Enjoy three-dimensional, cinematic sound that flows around you.
- **Object Tracking Sound Lite (OTS Lite):** Sound precisely tracks the movement of objects on screen for a more lifelike audio landscape.
- **Adaptive Sound Pro and AVA Pro:** The TV intelligently optimizes sound based on the content (movies, music, voice) and enhances dialogue clarity in noisy environments.

Smart Connectivity and Control
