Why pay more than necessary! Chieftec's first power supply series which was exclusively designed for the European market, is characterized by a high efficiency for a minimalist price. Defined and layed out for a fixed voltage of 230V, these A-80 series models are true saving wonder s, of course considering the non-certified 80+ feature! With wattages ranging from 350W up to 500W these power supplies are optimized for both proper office and home solutions.
