Prekės kodas: 20358

## 137.99€

The Kingston XS1000 external hard drive redefines portability and performance in data storage. With a 1 TB capacity, it offers ample space for your files, photos, and videos. The drive utilizes USB 3.2 Gen 2 technology, ensuring rapid data transfer rates of up to 1050 MBps read and 1000 MBps write speeds. This means less time waiting and more time doing.

Designed for durability, the XS1000 combines metal and plastic materials to offer a hard drive that's not only portable but also built to withstand the demands of daily use. Its inclusion of 3D NAND technology further enhances its performance and reliability, making it a smart choice for professionals and enthusiasts alike.

For those who require versatility in connectivity, this drive comes equipped with a USB-C port and
