Aprašymas

The SanDisk Desk Drive external hard drive combines high-capacity storage with fast data transfer speeds, making it an essential tool for professionals, photographers, and video editors. With an 8 TB capacity, it offers ample space for large files and media libraries. The drive supports USB 3.2 Gen 2 interface, enabling quick file transfers up to 10.0 Gbps. It comes equipped with both USB-C and USB-C to USB-A cables, providing versatile connectivity options to accommodate a variety of devices. Additionally, the Desk Drive features automatic backup and a security slot, ensuring your data is not only stored but also protected. Whether you're working in the studio or on-the-go, this portable hard drive is designed to meet the demands of high-volume data management and security.
