

ASUS A23 Plus Tg Case Tempered Glass ARGB Fans Black

Modelis: 90DC00K0-B19010

Gamintojas: ASUS

EAN: 4711387701133

Prekės kodas: 20561

95.99€

The ASUS A23 PLUS is a versatile tower chassis designed for robust performance and minimalistic style. Featuring a microATX form factor, this tower offers ample space for hidden-connector motherboards, enhancing both functionality and aesthetics. With a tempered-glass windowed side panel, users can showcase their build while keeping internal components neatly organized. The design supports a variety of cooling configurations, including the ability to mount an array of fans or radiators, ensuring optimal airflow for system performance.

Whether exploring options for future upgrades or building a high-performance system, the ASUS A23 PLUS provides two 2.5" and one 3.5" shared internal bays along with five expansion slots for increased connectivity. Front panel connectors include USB and audio ports, making it easy to connect peripherals. The A23 PLUS stands out for its functionality and sleek appearance that caters to a range of user preferences.
