HP Spectre x360 14-eu0009nn: Premium 2-in-1 Laptop with 2.8K OLED Display

The HP Spectre x360 14-eu0009nn redefines premium performance and versatility. Engineered for creators and demanding professionals, this AI-ready 2-in-1 convertible laptop features a sophisticated 360° flip design, allowing seamless transition between traditional laptop mode, tent mode, and tablet mode.

Unmatched Visual Experience

Dive into stunning visual clarity with the 14-inch OLED touchscreen display. Boasting a high-resolution 2880 x 1800 (2.8K) resolution and a rapid 120 Hz refresh rate, the visuals are fluid and incredibly detailed. With 100% DCI-P3 color gamut coverage and HDR 500 support, this display delivers over a billion vivid colors, making it perfect for creative work, high-definition streaming, and precise photo editing.

AI-Powered Performance

Powered by the Intel Core Ultra 5 125H processor (Series 1), featuring multiple cores and integrated AI capabilities, the Spectre x360 handles intensive multitasking with ease. This system is validated on the Intel Evo platform, ensuring exceptional responsiveness, instant wake, and long battery life.

- **Processor:** Intel Core Ultra 5 125H (up to 4.5 GHz).
- **Memory:** 16 GB high-speed LPDDR5X RAM (soldered) ensures smooth operation even under heavy load.
- **Storage:** Lightning-fast 1 TB NVMe TLC SSD provides rapid boot times and quick access to large files.
- **Graphics:** Integrated Intel Arc Graphics delivers robust performance for creative applications and light gaming.

Design, Security, and Connectivity

The sleek slate blue aluminium chassis gives the laptop a premium, durable feel. Connectivity is enhanced by the latest standards, including ultra-fast Wi-Fi 6E and Bluetooth 5.3, providing stable and quick wireless connections. Security features include a built-in fingerprint reader and integrated webcam for secure login and video conferencing.

- **Versatile Design:** 360° flip design adapts instantly to your workflow, whether you need a powerful notebook or a large tablet.
- **Extended Battery Life:** The 4-cell battery supports up to 17 hours of use, keeping you productive all day.
- **Sustainability:** Crafted with environmental impact in mind, the laptop meets EPEAT Gold and ENERGY STAR standards.

HP INC. is a global leader in technology, renowned for delivering innovative and high-quality computing solutions that combine cutting-edge performance with elegant design and a commitment to sustainability.

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic HP products.

The HP Spectre x360 Laptop 14-eu0009nn redefines what you can expect from a high-performance laptop. It boasts a 14-inch OLED touchscreen with a 2.8K resolution, bringing your content to life with over a billion colors and clear visuals. The display's HDR 500 support and 100% DCI-P3 color gamut make it ideal for creatives and entertainment lovers.

Under the hood, this laptop is powered by an Intel Core Ultra 5 processor with 14 cores, complemented by 16 GB of LPDDR5X RAM. This combination ensures smooth multitasking and efficient performance across all your applications. The 1 TB SSD with PCIe 4.0 offers fast storage, making file transfers and boot times quicker.

Connectivity is a breeze with Wi-Fi 6E and Bluetooth 5.3, providing reliable and fast connections for all your devices. The laptop's 360° flip design, combined with a fingerprint reader, offers both versatility and security, adapting to your needs whether you're working, playing, or presenting. With its commitment to sustainability, HP has crafted this laptop using materials that help reduce environmental impact without compromising on style or performance.
