

GEMBIRD PC-186-VDE-3M power cord VDE 10ft

Modelis: PC-186-VDE-3M

Gamintojas: GEMBIRD

EAN: 8716309037853

Prekės kodas: 20985

4.99€

The Gembird PC-186-VDE-3M power cable is designed for reliability and efficiency in power transmission. With a left connector type of power CEE 7/7 and a right connector type of power IEC 60320 C13, this cable can handle a rated current of 10 A. The molded design ensures durability while the strain relief feature helps to prevent cable damage, making it suitable for various applications where dependable power supply is crucial.

This power cable is packaged in a poly bag for convenient storage. The left connector has a 90° angled design for better flexibility in tight spaces, while the right connector remains straight for straightforward connections. Compliance with VDE standards confirms the safety and quality of the product, ensuring it meets rigorous electrical requirements.
