3.99€

The Gembird Cablexpert power cable is designed to provide reliable electrical connections with quality. Featuring a power IEC 60320 C5 connector on one end and a power CEE 7/7 connector on the other, this 1-meter cable ensures a secure fit for your power needs. Rated for a current of 16 A, it can handle a wide range of devices optimally while providing assurance with its molded design. Additionally, the cable complies with VDE and RoHS standards, ensuring it meets safety and environmental requirements.
