The Motorola Razr 60 Ultra defines modern luxury and peak performance in a foldable smartphone. With its impossibly thin design, sculpted glass, and diamond-cut aluminum accents, the Razr is engineered to impress. This device not only enhances your style but delivers raw power, ensuring you keep pace with today's demanding applications and 5G connectivity.

Revolutionary Dual Displays

Experience immersion like never before on the expansive, foldable main screen. The advanced 7-inch pOLED display offers crystal-clear visuals at a stunning resolution of 2992 x 1124 pixels and an ultra-smooth 165 Hz refresh rate. When closed, the secondary 4-inch pOLED cover display allows for quick interaction, notifications, and instant camera access, blending convenience and cutting-edge technology.

- Main Display: 7" Foldable pOLED (2992 x 1224) with 165 Hz refresh rate and HDR support.
- Cover Display: Large 4" pOLED colour display for essential interaction.
- Form Factor: Elegant folder (flip) design, water-resistant and dust-resistant for enhanced protection.

Professional Grade Photography and Performance

Capture life's defining moments with the triple 50 Megapixel camera system. The primary 50 MP lens (f/1.8) delivers crisp, detailed images, while the 50 MP ultra wide-angle lens doubles as a dedicated macro camera for breathtaking close-ups. For high-quality video calls and selfies, the 50 MP front camera ensures clarity and sharpness.

Powered by the robust Qualcomm Snapdragon 8 Elite processor running at 4.32 GHz (8-core), coupled with the Qualcomm ADRENO graphics accelerator and a massive 16 GB of RAM, the Razr 60 Ultra handles multitasking, gaming, and Wi-Fi 7 speeds effortlessly. Store everything you need on the spacious 512 GB internal storage running the intuitive Android 15 operating system.

- Processor: Qualcomm Snapdragon 8 Elite (4.32 GHz, 8-core) with Qualcomm Hexagon NPU for AI acceleration.
- Memory: 16 GB RAM and spacious 512 GB storage capacity.
- Cameras: Triple 50 MP setup (Main f/1.8, Ultra-Wide/Macro f/2.0, Front f/2.0).
- Security: Integrated side fingerprint reader and face recognition for secure access.
- Connectivity: Dual-SIM support (Nano SIM + e-SIM) and next-generation Wi-Fi 7.

Motorola, a brand now backed by LENOVO, continues its legacy of innovation, specializing in mobile communication devices that push the boundaries of design and technology. The RAZR series represents the pinnacle of style, merging nostalgic flip phone functionality with modern high-performance features.

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic LENOVO-Motorola products.

With an impossibly thin design, RAZR is a marvel of engineering - one you'll want to show off to the world. Thinner than your friends' smart phones, it's better looking too, with sculpted glass and diamond-cut aluminum accents.

Full-tilt boogie is just your style - and RAZR can keep up. The powerful dual-core 1.2 GHz processor lets you act as fast as you can think (finally). Capture the excitement with the 8-megapixel camera and 1080p HD video recording, for crisp, clear, cinematic quality images. Your video captures will be especially smooth, thanks to technology that helps stabilize the camera. And, see things eye-to-eye on your next incoming call with the front-facing HD video camera.
