

## NATEC Genesis PC case Irid 505 aRGB midi

Modelis: NPC-1518

Gamintojas: NATEC

EAN: 5901969420890

Prekės kodas: 21159

# 101.99€

The Genesis Irid 505 aRGB tower chassis is designed for optimal airflow and cooling performance. Its meshed front panel and various dust filters, including a top panel dust filter and bottom dust filter, ensure that internal components remain clean and efficient. With support for multiple radiator sizes in both the front and top positions, this case is suitable for liquid cooling setups. The spacious interior offers ample room to accommodate high-performance components, including a video card of up to 380 mm in length and a CPU cooler of 165 mm in height. Featuring a sleek design with tempered glass, this product enhances system performance and provides an attractive aesthetic for any build. The Genesis Irid 505 aRGB is a versatile choice for gamers and PC builders looking to create a functional and visually appealing system.
