Pagrindinės savybės

- ✓ Media Flexibility: Expanded media support. Label widths from 25.4mm to 112mm
- ✓ Compact: Simple, unobtrusive design with front panel operation
- ✓ Auto-cutter: For chemical, food & beverage, horticulture, and logistics - primary and secondary labelling
- ✓ Matte black ink version: Increased print finish flexibility on textured or plain paper
- ✓ Money saving: No need for pre-printed stock of labels. Print full colour on blank labels

Aprašymas

This on-demand, digital, four-colour label printer opens up new opportunities for businesses with lots of SKUs to manage and not much time. The ColorWorks CW-C6000Ae extends Epson's range in order to meet the needs of small to medium batch customers across many sectors (food, chemical, beverage, manufacturing etc.)

Media Flexibility

The CW-C6000Ae benefits from a wealth of new features that are designed to provide practical and creative solutions. It supports media widths, from 25.4mm to 112mm and boasts expanded media support which even includes textured paper. In practical terms, this range of ColorWorks label printers can print anything from tiny labels for vaping liquid bottles, to large durable labels that are suitable for chemical drums. Also, the innovative movable sensor allows printing on any shape, without the need for a 2nd die cut. This matte black ink version of the CW-C6000Ae provides users with increased print finish flexibility on textured or plain paper.

Print quality

This label printer offers high quality, high resolution, four-colour print output as standard; along with colour matching functionality (ICC profile and spot colour matching tool) for impressive, impactful, on-demand colour labels.

Compact and easy to use

The CW-C6000Ae has been designed to be extremely user friendly. All operations can be carried out from the front, which saves on operation space. The roll replacement is possible from the front, right and left. We've also designed a number of technical tools to help with printer management, configuration and maintenance, including: web interface and printer fleet management, remote configuration, maintenance and monitoring.

Easy integration

All models in the range are integration-friendly. SAP direct support, ESC Label, Linux and Mac drivers.

Techninė specifikacija
