Aprašymas

The Lenovo Laser Rechargeable Presentation Remote is more than a remote—it's your gateway to commanding attention and delivering ideas with impact. Designed to adapt to any setup—projectors, TVs, video conferencing, or multi-screen environments—it empowers you to lead with confidence. The vivid green laser and digital pointer ensure precision, while five advanced modes and customizable controls give you total creative freedom. A built-in vibration alert keeps you perfectly on schedule so every presentation ends as strongly as it begins.
