Aluminium wireless presenter with red laser, to control your presentations

### Stay in control

Giving a presentation has become really easy with the Kazun Aluminium Wireless Laser Presenter. By being completely in control of your presentation, you can focus on your story and audience.

### Take it with you

The strong and ultra-slim design of the aluminium body feels comfortable in your hand and makes sure you can take the presenter with you, everywhere you go.

## Highlight your presentation

The Kazun Presenter includes four PowerPoint functions: you can easily start and stop your presentation, go to the next and previous slide or go to a black screen. The red laser pointer can be used to emphasize important aspects of your presentation, ensuring that your audience knows exactly what you are talking about.

## Plug & Play wireless receiver

When you're ready to begin your presentation, simply plug the USB micro receiver into your PC or laptop (also compatible with Mac\*) and you can start right away. The wireless receiver has an extra-long range of up to 30 meters, allowing you to move around freely while talking to your audience. The battery can be charged with the included micro-USB cable.

- Modern, ultra slim design for easy transportation
- Strong and sleek aluminium body, feels comfortable in your hand
- 4 PowerPoint functions (next slide, previous slide, start/stop, blackscreen)
- Built-in rechargeable battery
- Extra-long wireless range of up to 30m
- USB micro-receiver that can be stored inside the presenter
- Also compatible with Mac\* (\*Office for Mac 2011 / Mac-Keynote 2014 and later)
