WD Purple SC QD101 Ultra Endurance microSD Card PRODUCT BRIEF SURVEILLANCE MICROSD CARD

Western Digital's WD Purple™ SC QD101 microSD™ card is designed specifically for the mainstream security camera market. Using advanced 96-layer 3D NAND technology, the card delivers a cost-effective combination of ultra-endurance, high performance, and wide capacity range up to 512GB², and its support for card health monitor functionality allows for pre-emptive storage management. With the fast-growing market of security cameras, and growing adoption of 4K video, this card offers the right combination of longevity and capacity to handle the 24/7 continuous recording workload. Trust Western Digital to deliver WD Purple – the ideal microSD storage for security video cameras and edge devices.

It's WD Purple

Designed for Surveillance. Being a member of a market-leading brand gives you assurance that this card is designed with the right robustness, performance and features for always-on security video cameras and edge devices.

Put More Confidence in Your Cameras

Ultra Endurance. WD Purple SC microSD cards are designed for continuous 24/7 recording should cameras lose connection with the NVR, providing additional confidence in your security video solution.

Smart Storage Maintenance

Card Health Monitoring. In compatible cameras, the card health monitoring capability allows you to get notified about the health status of your WD Purple microSD card, so you can perform preemptive storage management.

Robust Storage, Indoors or Outdoors

Supports -25°C to 85°C temperature range; humidity resistant. Have peace of mind that this card is designed for continuous operation in extreme weather conditions and in a variety of climates.

Continuous Capture. Hours or Days

Capacities from 32GB to 512GB. Wide range of capacities for different combinations of cameras, resolutions, and recording implementations; use for both motion-triggered and continuous recording.

- Optimized for video surveillance cameras that operate 24/7
- Designed with ultra endurance for continuous operation
- Weather-resistant, humidity resistant, and withstands temperatures from -25°C to 85°C
- Failover local storage, continuous recording, even in case of a temporary camera disconnection
- Supports card health monitor functionality
- Advanced 96-layer 3D NAND Technology

Summary: Western Digital WD Purple SC QD101. Capacity: 128 GB, Flash card type: MicroSDXC, Flash memory class: Class 10, UHS Speed Class: Class 1 (U1). Product colour: Purple | Vendor
