The Epson CO-W01 digital projector is designed for high-quality presentations and multimedia content. With a brightness of 3000 lumens, it delivers vivid images in various lighting conditions, making it ideal for classrooms and meeting rooms. The projector features a native resolution of 1280 x 800, providing clear and detailed visuals. A variety of modes, including Cinema Mode and Presentation Mode, ensures optimal performance for different content types, while the VGA support expands connectivity options for diverse setup needs. The integrated speaker with mono sound output enhances the viewing experience without the need for additional audio equipment. Versatility is key with the CO-W01, as it supports image sizes from 63.5 cm to 960 cm, providing flexibility for various environments. The keystone correction feature allows for easy adjustment of the image dimensions to achieve a perfect projection, while the lightweight and portable design makes transport easy. With a lamp life of up to 12000 hours in economic mode, the projector ensures long-lasting performance with minimal maintenance, making it a reliable choice for all presentation needs.
