Aprašymas

The Logitech TV MOUNT redefines the way cameras are mounted, offering flexibility and ease of use. Designed to cater to both professional and personal video recording needs, this camera mount ensures your device is securely positioned for the best possible angle on any monitor. Its compatibility with the VESA interface enhances its stability, making it a suitable choice for live streams, video conferences, and online meetings. The inclusion of a mounting kit simplifies the installation process, allowing you to set up your camera mount without the need for additional tools or professional assistance. Whether you're setting up a home studio or optimizing a professional workspace, the Logitech TV MOUNT is your solution for reliable and versatile camera placement.
