Designed specifically to accommodate a ThinkCentre Tiny PC, the TIO 27 allows users to easily upgrade the display or the PC component independently, ensuring longevity and adaptability in the workplace. Its anti-glare screen coating (25% haze) minimizes reflections, while TUV Rheinland Eye Comfort Certification ensures reduced eye strain during long working sessions.

Security and Integrated Features:

- **Integrated Security:** Includes an advanced RGBIR camera system with facial recognition capabilities for secure, hands-free login.
- **Webcam Privacy:** A physical privacy cover ensures complete user control over the built-in webcam and dual array microphone.
- **High Performance Visuals:** QHD (2560 x 1440) resolution at 60 Hz with fast 4 ms (overdrive) response time and 350 cd/m² brightness.
- **Connectivity Hub:** Built-in USB 3.2 Gen 1 (formerly 3.1 Gen 1) hub, alongside HDMI and DisplayPort inputs, keeps your peripherals easily accessible.

Ultimate Ergonomics and Flexibility:

The Tiny-in-One 27 offers comprehensive ergonomic adjustments necessary for an ideal workspace setup. Easily adjust the display to suit individual preferences, reducing fatigue and improving focus.

- **Display Position Adjustments:** Height adjustment, pivot (90-degree rotation), swivel, and tilt functionality.
- **Tiny PC Compatibility:** Designed for seamless integration with compatible ThinkCentre Tiny units.
- **Environmental Standards:** Compliant with TCO Certified Displays 8, ENERGY STAR, and EPEAT Silver criteria.
