- **15.6" Touch Panel:** Offers an intuitive and responsive touch experience.
- **10-Point PCAP Touch:** Provides smooth and precise interaction.
- **Android 13:** Enables direct app installation on the device.
- **Power over Ethernet (PoE):** Delivers both power and data through a single cable simplifying installation.
- **Built-in Microphone and Speakers:** Delivers seamless, modern interaction.
- **iiSignage² Compatibility:** Integrates with Iiyama's Content Management System for full control over messages and advertising.

With Power over Ethernet (PoE), both power and data are delivered through a single cable, simplifying installation and reducing cable clutter. The built-in microphone and speakers enhance modern interaction in any smart space. Seamless integration with iiSignage², Iiyama's Content Management System (CMS), gives you full control over your messages and advertising, in landscape, portrait, and face-up positions.

Iiyama is a leading display solutions provider, offering high-quality monitors and touch screen displays designed for various professional and consumer applications. Order today from ++SHOP++ for great deals.

The ProLite TW1623AS-B3P is a smart and intuitive 15.6" touch panel PC, designed for high-traffic environments such as meeting rooms, info points, or hospitality spaces. Its 10-point PCAP touch technology ensures smooth and precise interaction. Powered by Android 13, and equipped with powerful hardware, it allows easy installation of apps directly on the device - making it a all-in-one solution. Thanks to Power over Ethernet (PoE), both power and data are delivered through a single cable, simplifying installation and reducing additional cables. With a built-in microphone and speakers, the TW1623AS-B3P delivers seamless, modern interaction in any smart space.
