The Logitech Master MX Keys S Combo is engineered for professionals who demand precision, speed, and comfort. This premium wireless kit features the acclaimed MX Keys S full-size keyboard and the high-performance MX Master S mouse, complemented by an ergonomic wrist rest. Designed for a clutter-free, efficient workspace, this combo offers multi-device connectivity and seamless integration across multiple operating systems, including Windows, macOS, and Linux.

Ultimate Typing Experience and Comfort

The MX Keys S keyboard delivers a fluid, precise, and quiet typing experience. Its low-profile design and scissor key switches ensure stable and comfortable keystrokes. Equipped with a numeric keypad and a full QWERTY layout (US International), it maximizes productivity. The intelligent white LED backlight automatically adjusts based on ambient light and proximity sensing, ensuring visibility only when needed, conserving the massive 1500 mAh built-in battery.

- Full-size (100%) QWERTY layout with numeric keypad.
- Low-profile scissor key switches for quiet and smooth typing.
- Smart Backlighting: Adjustable white LED illumination with ambient light and proximity sensors.
- Ergonomic wrist rest included for superior comfort during long work sessions.
- Durable construction utilizing aluminium and recycled plastic (26% post-consumer recycled content).

MX Master S Mouse: Hyper-Fast Precision

The accompanying MX Master S mouse is built for speed and ultimate control. Featuring advanced Laser movement detection and 7 programmable buttons, it navigates complex documents and spreadsheets effortlessly. Benefit from hyper-fast scrolling capabilities, including both vertical and horizontal (tilting) scrolling via its dual scroll wheels. The contoured right-hand form factor ensures comfortable usage, powered by a 500 mAh rechargeable Lithium Polymer battery.

- Advanced Laser movement detection for precision tracking.
- Hyper-fast scrolling wheel with tilt function (vertical and horizontal navigation).
- 7 pressed buttons, optimized for seamless workflow control.
- Ergonomic right-hand design for extended comfort.

Seamless Wireless Connectivity and Reliability

Connectivity is simple and reliable using either Bluetooth Low Energy (BLE) or the included Logi Bolt USB receiver. The combo supports multi-device pairing, allowing you to switch instantly between computers or tablets (iPadOS, ChromeOS supported). With a robust wireless range of 10 meters and long-lasting rechargeable batteries for both devices, this setup ensures uninterrupted performance throughout your workday. Manage settings and customize functions using the powerful Logi Options+ software.

LOGITECH is a global leader in peripheral devices, renowned for innovation, ergonomic design, and commitment to sustainability. This combo is certified CarbonNeutral and adheres to the highest environmental standards (FSC).

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic LOGITECH products.
