entertainment hubs, providing rich visuals and seamless smart functionality.

Equipped with integrated Smart TV features, built-in Wi-Fi, and an Ethernet port, you can easily stream content from popular services without needing external devices. The included digital tuners (DVB-T/T2/C/S/S2) ensure you can access terrestrial, cable, and satellite broadcasts directly.

Optimal Visuals and Connectivity

The 24TQ510S-PZ utilizes a high-quality VA panel, offering exceptional 178-degree viewing angles both horizontally and vertically. This ensures consistent picture quality whether you are sitting directly in front of the screen or viewing from the side. With a typical contrast ratio of 1000:1 and 250 cd/m² brightness, images remain clear and vibrant.

Key Features:

- **Display Technology:** 23.6-inch (59.9 cm) VA panel with 1366 x 768 HD resolution and 16:9 aspect ratio.
- **Smart Functionality:** Integrated Smart TV capabilities (likely utilizing LG's webOS) with Wi-Fi and Ethernet LAN connectivity for streaming.
- **Audio Solution:** Built-in speaker system for immediate sound output without requiring external accessories.
- **High Connectivity:** Features 2 HDMI ports for connecting gaming consoles, media players, or computers, alongside 1 USB 2.0 port.
- **Wide Viewing:** Impressive 178° horizontal and vertical viewing angles due to the VA panel technology.
- **Performance:** 60 Hz maximum refresh rate and 14 ms response time, suitable for standard media consumption and daily tasks.
- **Warranty:** Protected by a 36-month manufacturer's warranty.

LG is a globally recognized leader in display and consumer electronics technology, known for producing innovative and high-quality monitors and televisions that integrate advanced features and reliable performance.
