- ✓ Atsparus smūgiams
- ✓ Užapvalinti kraštai
- ✓ Sausas naudojimas Atsparus pirštų atspaudams
- ✓ 1 vnt

Aprašymas

The best just got better. With 3x higher scratch resistance than previous Ultra-Wide Fit models, impressive shock-resistance capabilities and high-level drop protection, this PanzerGlass® screen protector keeps your phone screen safe from accidental bumps against sharp-edged dangers, crushing falls onto stone-hard pavements and other hazards of everyday life. It also has a smudge-free coating that reduces traces of fingerprints and grease. The screen protection prolongs the lifetime of your phone so that one day you can pass it on to someone else who will love it just as much as you do. This is one way of working toward a more sustainable future. Another is to use less packaging: For this screen protector, we have managed to reduce the paper packaging by 33%* compared to previous models. So, of course, this product comes in a recyclable FSC™-certified box. Installation is also easy. Usually one attempt is enough, and should you need more, don't worry, the screen protector can be re-fitted up to 200 times. To make it even easier, we've included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: Once the screen protector is applied, you'll never again fear the sight of your phone tumbling to the ground screen first. This may not happen, but if it does, you'll regret not having clicked "add to cart". The screen protector is Ultra-Wide Fit, which means that it covers the front

surface of your phone, providing a complete and crystal-clear view of your screen, while still leaving a little room around the edges for a PanzerGlass® case. If you want 360-degree phone protection, combine the screen protector and case with a PanzerGlass® PicturePerfect camera lens protector. *Measured by comparing the mass of the 2023 paper packaging with the mass of the 2022 paper packaging. Measurements performed by third-party lab (CPRTC, report No. ZSA20231301-0016).

Techninė specifikacija

Features	
Protector type	Clear screen protector
Brand compatibility	Apple
Compatibility	Apple - iPhone 15 Plus
Protection features	Shock resistant
Installation type	Full adhesive
