Pagrindinės savybės

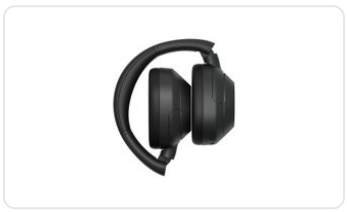

- ✓ DESIGNED FOR POWER: The powerful sound you hear is driven by our high-performance Integrated Processor V1 and produced through our large, high-quality 40mm driver units. Drawing on decades of Sony audio expertise, ULT WEAR headphones have been crafted for the bassline obsessives
- ✓ HIT THE BUTTON, FEEL THE BASS: The ULT button activates two new sound modes - Deep Bass adds more weight to those vibey lower frequencies, while Attack Bass ramps up the energy. Use these to satisfy your bassline addiction, tailoring the sound to your personal preferences, and bringing the best out of your favourite genre
- ✓ POWERFUL SOUND IN PERFECT SILENCE: Block out distractions and fully focus on your music with these noise cancelling headphones, featuring the same Integrated Processor V1 from our industry-leading 1000X Series. Ambient Sound mode is available when you need to stay aware of your surroundings
- ✓ LISTEN IN COMFORT, AND STYLE: The soft earpads gently press around your ears (not against them) and the smooth headband sliders can be adjusted to your perfect fit. Available in three different colours, the over ear headphones feature a slick fold-down design and come with a durable carry/storage case
- ✓ CLEAR CALL QUALITY: Even if you’re stood at a busy train station, you’ll be heard loud and clear when taking hands-free calls. With Beam Forming Microphones and Sony's Precise Voice Pickup technology, they isolate your voice and block out distractions
- ✓ CONNECT TWO BLUETOOTH DEVICES SIMULTANEOUSLY: No need to switch between your smartphone and laptop - Multipoint Connection automatically connects you to the correct device when it rings or audio starts to play. iPhone, Android, PC, and Mac are all compatible
- ✓ ULTIMATE SOUND, ALL DAY AND NIGHT: ULT WEAR deliver 30 hours of music when noise cancelling is switched on, or a mega 50 hours when it's switched off. Quick charging provides 1.5 hours of playback from just a 3-minute charge
- ✓ EASY CONNECTION WITH FAST PAIR AND SWIFT PAIR: These wireless headphones are both iOS and Android compatible. They feature Fast Pair and Swift Pair, so if you are connecting to an Android device or Windows 10 computer, there’s no need to dig through your settings - simply click on the pop-ups

Aprašymas

Introducing ULT Wear: With huge, powerful bass, impressive noise cancelling, and audio technologies from Sony’s award-winning WH-1000XM5 headphones, you can take the ULT POWER SOUND experience wherever you go.

At the tap of the ULT button, these headphones offer two unique sound settings to deliver exhilarating audio experiences for the power sound obsessives: Deep Bass, which adds huge resonating depth to the lower frequencies, and Attack Bass, bringing impressive drive and energy to the music. And thanks to its Noise Cancelling and Ambient Sound modes, you can use the ULT WEAR however you want, wherever you are.

The battery life is impressive. Even with noise cancelling on, you can keep the beats playing for 30 hours straight, and since ULT WEAR are designed to be seriously comfy, you can keep even the longest playlists going without compromise.

Hands-free calls are clear and easy to understand, even when you’re surrounded by noise. You can even connect ULT WEAR to two devices at the same time using the Multipoint Connection. So, if you’re listening to music on your laptop and then get a call on your phone, the sound will switch over automatically without needing to push a button.

With unrivalled power and breath-taking detail, ULT WEAR deliver the ULT POWER SOUND experience, perfect for the bass obsessives.

Techninė specifikacija
