The Hammer Iron V is a rugged smartphone designed for durability without sacrificing modern functionality. Built to withstand demanding conditions, this device combines powerful specifications, including an octa-core processor and a high-resolution camera, making it the perfect companion for adventurers, outdoor workers, and anyone requiring reliability.

Powerful Performance and OS

- **Efficient Processing:** Powered by the Mediatek Helio G36 processor (Octa-core operating at 2.2 GHz), the Iron V ensures fast and responsive performance for applications and multitasking.
- **Ample Memory:** Featuring 6 GB of Internal RAM, this smartphone handles demanding apps smoothly.
- **Modern Android 13:** Runs on the latest Android 13 operating system, offering enhanced security features and an intuitive user experience.
- **Storage Capacity:** Equipped with 64 GB of internal storage capacity, which can be further expanded using compatible microSD cards.

Capture Every Moment

Capture high-quality photos and videos thanks to the advanced camera system of the Hammer Iron V:

- **High-Resolution Main Camera:** The powerful 50 MP main camera resolution ensures sharp, detailed photographs, even in challenging environments.
- **Secondary Camera:** An 8 MP secondary camera is perfect for high-quality selfies and video calls.

Display and Connectivity

Enjoy clear visuals on the large 6.5-inch IPS display (1600 x 720 resolution). The device supports essential connectivity and security features:

- **Display Quality:** The IPS display type provides wide viewing angles and vibrant colors.
- **Connectivity:** Features 4G and 3G support, Wi-Fi capability, and Bluetooth 5.0 for fast data transfer and communication.
- **Security and Convenience:** Includes a fingerprint reader for secure, quick access.
