Aprašymas

Polti Vaporetto Pro 100_Eco Power is a powerful steam cleaner with up to 5.5 bar boiler with unlimited autonomy, which can be used on many different surfaces thanks, to the 15 accessories supplied.

ECO function for lower consumption

The ECO function saves 31% of water and 27% of energy, for a focus on savings.

Eliminates 99.99% of viruses, germs and bacteria

Tests carried out by third parties attest that Polti Vaporetto eliminates 99.99% of viruses, germs and bacteria.

Unlimited working autonomy

You can refill the boiler at any time thanks to the autorefill system, for non-stop cleaning.

Brush for all the floors

The Vaporflexi brush allows you to clean all types of floor: including carpets, with the supplied accessory.

Turbo Steam function

The Turbo Steam function allows you to deliver a more powerful steam, eliminating even the most encrusted dirt from the surfaces.

Ideal for the deepest cleaning

The force of steam effectively dissolves dirt from all surfaces in the house, such as grout. and tile.

Designed for allergy sufferers

Polti Vaporetto Pro 100_Eco Power has received BAF certification because it is effective in eliminating mites.

Accessories always at your fingertips

You can store the supplied accessories in the practical accessory compartment located in the front of the product.

Made in Italy product

Polti Vaporetto Pro 100_Eco Power was designed and assembled at the Polti plant in Bulgarograsso (Como).

Techninė specifikacija
