Forget messy joins or unstable attachments. The Genesis Holm Modular Side Top ensures full compatibility and a completely aesthetic connection to the fixed, center section of your existing Holm desk. Constructed from durable MDF material in a sleek Anthracite Black finish, this module maintains the high quality and modern look of your setup.

Key Features:

- Dedicated 40 cm left side desk top extension.
- Seamless compatibility with the Genesis Holm Modular desk frame and center tabletop.
- High-quality MDF surface material ensures durability and a professional finish.
- Allows for customized desk sizing and optimal space organization.
- Quick and instant assembly designed for user convenience.
- Product Colour: Anthracite Black.

Whether you are looking to increase functionality or create a custom size configuration, the Holm Modular Side Desk Top provides the flexibility required for modern computing environments.

GENESIS is a recognized manufacturer specializing in high-performance gaming gear, accessories, and furniture designed for durability and ergonomic comfort.

Order today from ++SHOP++ as we offer the best prices and guaranteed genuine GENESIS products.

Want to increase the functionality of the GENESIS Holm Modular desk? Choose the dedicated 30 cm wide side panel and create your own space. Full compatibility with the expandable frame and fixed part of the tabletop, high quality and instant assembly are the features that set it apart.

MADE FOR GENESIS HOLM MODULAR

Forget about the inelegant joining and covering the countertop with a pad. We've made sure that connecting the panels to the fixed, center section is completely aesthetically pleasing. Do you need a custom size? Want to make the desk smaller on one side? No matter which option you choose, a dedicated module will allow you to organize the space the way you want.
