Unmatched Modularity and Space

The Holm Modular system is built around flexibility. This right-side extension allows users to modify the desk layout freely, accommodating changing needs, whether you are expanding your monitor setup or creating dedicated zones for work and gaming. Installation is quick and simple, ensuring minimal downtime.

Key Features and Specifications:

- **Dedicated Extension:** Specifically designed for full compatibility with the expandable frame of the Genesis Holm Modular desk.
- **Expanded Workspace:** Adds 50 cm of surface area to the right side of your desk, perfect for enhancing productivity.
- **Durable Construction:** Manufactured from high-quality MDF (Medium-Density Fibreboard) for stability and longevity.
- **Design Integration:** Features a free-form shape and Anthracite Black color finish that perfectly matches the existing Holm aesthetic.
- **Surface material:** MDF.

Quality Materials and Easy Installation

Constructed using robust MDF, this side panel is engineered to withstand daily use while maintaining a sleek, professional appearance. The deep Anthracite Black color complements any modern setup. The simple design allows for instant and secure attachment to the main desk unit.

GENESIS is a recognized manufacturer known for creating high-performance gaming gear and reliable ergonomic solutions designed to meet the demands of serious gamers and PC enthusiasts.
