Experience desktop-level gaming freedom in the palm of your hands with the Lenovo Legion Go S 8ARP1. Designed for gamers who demand portability without compromising performance, this innovative handheld PC integrates powerful hardware and a stunning 8-inch touchscreen display, making it the perfect companion for gaming on the move.

Power and Performance

- **Processor Optimized for Gaming:** Built around the efficient and powerful AMD Ryzen Z2 Go processor family, the Legion Go S delivers smooth, responsive performance tailored specifically for modern gaming titles.
- **Immersive Graphics:** Featuring integrated AMD Radeon Graphics, you are ensured sharp visuals and high frame rates across a wide range of Steam OS compatible games.
- **High-Speed Memory and Storage:** Equipped with 16 GB of internal memory (RAM) and a spacious 512 GB Solid-State Drive (SSD), load times are minimized, and gameplay remains fluid, offering ample space for your digital library.

Display and Connectivity

- **Vibrant 8-inch Touchscreen:** The responsive 8-inch touchscreen display provides intuitive control and vibrant, detailed visuals, enhancing every moment of your gameplay.
- **Steam OS Operating System:** Dive directly into your favorite PC games using the pre-installed Steam OS, optimized for handheld usage and access to the vast Steam library.
- **Latest Bluetooth Technology:** Connectivity is fast and reliable thanks to Bluetooth version 5.3, perfect for pairing wireless accessories and headphones.

Important Note: This configuration (83L3003CMX) is sold **without a power adapter (charger)**. Users must supply their own compatible USB-C charger for powering and charging the device.
