educational setups, or highly interactive home computing, this Full HD (1920 x 1080) IPS display delivers brilliant visuals and exceptional usability.

Responsive Multi-Touch Functionality

Experience seamless interaction with the VT229H's advanced 10-point multi-touch technology. This feature allows for precise control, making navigation intuitive whether you are using a virtual keyboard, manipulating images, or running multi-touch applications. The screen features a durable Anti-reflective surface with a 7H Hard Coating, providing enhanced protection against scratches while minimizing glare.

Superior Visual Performance and Eye Care

Built with an IPS panel, the VT229H ensures wide viewing angles (178°/178°) and excellent color reproduction (16.7 million colors). Combined with Full HD resolution, a quick 5 ms (Grey-to-Grey) response time, and a brightness of 250 cd/m², this monitor delivers crisp, dynamic images. Furthermore, the monitor includes ASUS Exclusive Eye Care Technology, certified by TUV Rheinland, which utilizes Flicker-Free backlighting and Low Blue Light modes to significantly reduce eye strain during extended use.

Features Designed for Comfort and Versatility

- **10-Point Multi-Touch:** Highly accurate and responsive touch capability ideal for interactive software and virtual keyboards.
- **Full HD IPS Display:** Crisp 1920 x 1080 resolution with wide viewing angles and vibrant colors.
- **ASUS Eye Care:** TUV Rheinland certified Flicker-Free and Low Blue Light technologies for user comfort.
- **Flexible Connectivity:** Includes essential HDMI and VGA inputs for broad device compatibility.
- **Installation Flexibility:** Supports VESA mounting standards and features tilt adjustments for ergonomic setup.
- **Durable Screen Protection:** Anti-reflective screen surface with a robust 7H Hard Coating.
