Built for Durability and Comfort

This combo features a robust design ready to handle the demands of a busy workday. The keyboard utilizes a tough waterproof membrane, providing essential spill-resistant protection against accidental spills, ensuring your performance is never compromised. Typing feels natural and quiet, thanks to the responsive keys and the inclusion of a full numeric keypad for easy data entry. A modern, space-saving layout keeps your desk organized while maintaining full functionality, including the dedicated Copilot key for enhanced productivity.

Ergonomic Precision

Complementing the keyboard is an ergonomic, full-sized optical mouse designed for all-day comfort and support for both right and left-handed users. Increase your productivity and smoothly complete detailed tasks with the responsive 1000dpi high-resolution optical sensor, offering accurate and seamless tracking on almost any surface. The mouse features three responsive buttons and is built to withstand 1 million clicks.
