High Performance and Smooth Motion

Featuring a rapid 120Hz refresh rate, this monitor delivers significantly smoother motion when compared to standard 60Hz displays. This increased refresh rate reduces stuttering and motion blur, making fast-paced video content and quick actions clearer and easier on the eyes. Coupled with a swift 5 ms response time, the LS27F320GAUXEN ensures crisp and clear picture quality even during intense action sequences.

Superior Color and Viewing Experience

The integration of IPS (LCD) panel technology ensures vivid, accurate color reproduction and consistent brightness across the entire screen. Furthermore, the monitor boasts extremely wide 178° viewing angles (horizontal and vertical), allowing perfect visibility and color integrity from nearly any perspective.

Key Features:

- 27-inch (68.6 cm) display diagonal providing ample screen real estate.
- Full HD (1920 x 1080 pixels) resolution for clear, detailed images.
- IPS (LCD) panel technology ensures vivid, accurate color reproduction and stable brightness.
- Fast 120Hz refresh rate for smooth, fluid on-screen motion.
- Swift 5 ms response time minimizes motion blur.
- Extremely wide 178° viewing angles for consistent picture quality.
- Native 16:9 aspect ratio, ideal for multimedia content viewing.
- VESA mounting support for flexible setup and installation.

SAMSUNG is a globally recognized technology leader, known for pioneering innovation in displays, electronics, and digital solutions. Their commitment to quality ensures reliable and high-performing products.
