Equipped with a brilliant Full HD (1080p) IPS panel, the Z1FC delivers wide viewing angles and exceptional color reproduction crucial for both creative tasks and immersive gaming. Its elegant Silver Gray finish ensures it looks professional in any setting.

## Unmatched Speed for Portable Gaming

The standout feature of the Z1FC is its blazing-fast 144Hz refresh rate. Whether you are playing competitive esports titles or enjoying demanding AAA games, the high refresh rate eliminates motion blur and stuttering, providing a noticeably smoother and more fluid visual experience than standard 60Hz displays.

## Technical Specifications and Benefits:

- **16.1-inch Full HD Display:** Offers crisp 1080p resolution on a perfectly sized screen for travel and desktop use.
- **IPS Panel Technology:** Ensures superior color accuracy and consistent imagery across 178-degree viewing angles.
- **144Hz Refresh Rate:** Provides ultra-smooth, responsive gameplay, crucial for fast-paced action and reducing eye strain.
- **Maximum Portability:** Lightweight design makes it easy to slip into a backpack, ideal for remote work, business presentations, or mobile gaming setups.

**ARZOPA** specializes in creating innovative, high-quality portable displays designed to enhance productivity and entertainment wherever you are. Known for combining slim profiles with powerful performance, ARZOPA products offer reliable connectivity and superb visual fidelity.
