# 58.00€

## Carlinkit TBOX LITE S Carplay&Android Auto wireless adapter

The Carlinkit TBOX LITE S is a smart adapter that transforms your car's factory multimedia system into a functional wireless entertainment center. It supports both Apple CarPlay and Android Auto, eliminating the need for cables and providing a seamless connection between your smartphone and the vehicle's screen. Thanks to Plug & Play technology, setup takes just a few seconds - simply plug the device into the USB port and enjoy intuitive operation of the system.

## Multimedia entertainment center in your car

Forget about the limitations of factory car systems! Carlinkit TBOX LITE S allows online streaming, use of apps such as YouTube, Netflix or Spotify, and convenient control via touchscreen, multimedia

dial or voice assistant (Siri, Google Assistant). With built-in Android 9.0, you can access apps directly on the vehicle's screen, making every trip more enjoyable.

## Fast and stable connection

Thanks to a powerful Rockchip RK3528A processor and dual-band WiFi 2.4G + 5G, the adapter works lightning fast, providing a stable connection and no lag. The device also supports Bluetooth, allowing smooth music streaming and phone calls without interference. The device works with cars equipped with factory wired CarPlay or Android Auto, offering adaptive video resolution tailored to the vehicle's screen.

## Included

- Adapter
- USB-A to USB-C cable
- USB-C to USB-C cable
- User manual
