connect multiple devices at the same time, providing convenience and saving space on your desk. There are 2 HDMI ports, 1 DisplayPort, 4 USB-C ports, 3 USB 3.0 ports, 1 USB 3.1 port and USB-C 3.2 Gen2 for the host, ensuring wide compatibility and fast data transfer.

## 4K-quality video and lightning-fast data transfer

With support for two HDMI ports and one DisplayPort, the docking station can display 4K@60Hz resolution, making it ideal for multi-monitor use. Data transfer speeds are also top-notch, with two USB-C and one USB 3.1 ports offering up to 10 Gbps, and two additional USB-C and USB 3.0 ports reaching 5 Gbps, ensuring fast file copying and seamless operation with external media.

## Efficient power supply and stable network connection

The Blitzwolf BW-TH15 docking station supports USB-C PD charging of up to 100W, with 65W dedicated to devices connected to the main control interface and 35W to the station itself. With a built-in RJ45 port, users can enjoy wired internet speeds of up to 1,000 Mbps for a stable and fast connection. In addition, the device supports microSD and SD card slots with a maximum transfer speed of 400 MB/s, as well as a 3.5mm audio input for connecting headphones and a microphone.
