Modelis: V1236

Gamintojas: VITURE

EAN: 1230000160254

Prekės kodas: 352395

## 103.00€

## Viture XR HDMI Adapter for iPhone

The HDMI XR Adapter from VITURE is a device designed for iPhone users who want to use the full capabilities of their smartphone in conjunction with VITURE XR glasses. This compact accessory allows you to turn your phone into a mobile work or entertainment station, offering access to virtual screens, XR space and VR-quality video playback. It works with iPhone 14 and older models, allowing you to transfer video to XR glasses.

## Work and entertainment anywhere

With the HDMI XR adapter, you can watch movies, play games and work using virtual screens that display directly on your VITURE XR glasses. This solution not only increases convenience, but also allows you to better use the potential of your iPhone anywhere - without the need for a monitor or

TV.

## Expanded compatibility and fast connection

The adapter supports HDMI 1.4b and two USB ports - one with 5V 2.4A charging, the other with USB 2.0 data and DP video transmission. It is also compatible with micro USB, supporting Lightning connector adapters. The device works with iPhones (models up to and including 14), VITURE XR glasses and powerbanks, adding flexibility to a variety of situations.

## Watch and charge at the same time

You don't have to worry about a discharged phone while watching a movie or playing a game. The adapter allows you to charge and use your iPhone at the same time, greatly extending your work and entertainment experience. The built-in 1770 mAh battery provides up to 2.8 hours of operation without additional power.

## Compact design and low weight

The dimensions of the adapter are only 58.7 × 54.0 × 18.5 mm, and it weighs less than 58.5 grams, making it easy to fit in a pocket or bag. It's a great option for those looking for a mobile solution for viewing, working and gaming on a larger screen - without sacrificing convenience and quality.

## Included

- HDMI adapter
- Lightning to micro USB adapter
- HDMI cable
- user manual
