Arzopa Z1RC 16.0" portable monitor

The Arzopa Z1RC is a portable monitor that combines excellent image quality with a compact design. Its 16" screen offers a resolution of 2560 x 1600 p with a refresh rate of 60 Hz, allowing you to enjoy dynamic, richly detailed images. It's compatible with a wide range of devices, and with the ability to display images both vertically and horizontally, you'll adapt it to your preferences. It will easily fit in your bag or backpack, providing you with the ability to work or entertain anywhere.

High resolution

With a resolution of 2560 x 1600 pixels, the Z1RC monitor provides unparalleled image sharpness and accurate color reproduction. With a brightness of 500 cd/m² and support for HDR 10 rendering technology, every detail becomes clear and colors come to life, even in bright environments. In addition, a refresh rate of 60 Hz guarantees exceptional smoothness of the image.

Immersive gameplay and work

Wide viewing angles (178° both horizontally and vertically) make the Arzopa Z1RC monitor perfect for both gaming and creative tasks, allowing you to enjoy a great image no matter the viewing angle. What's more, the monitor has a built-in speaker that delivers clear sound, without the need to connect additional audio devices.

Versatile compatibility

The Z1RC features wide compatibility and a variety of ports, allowing seamless connection to various devices. Two USB-C ports, including one for power, and a mini HDMI port provide flexible connection options for computers, laptops, game consoles, smartphones and more.

Take it with you anywhere

Now you can enjoy superior image quality and convenience wherever you go! With its compact design, the Arzopa Z1RC portable monitor is an ideal solution for those who value mobility. The built-in stand provides stable support no matter where you are.

Included:

- monitor
- USB-A to USB-C power cable
- USB-C to USB-C cable
- mini HDMI to HDMI cable
- screen cloth
- user manual
